Wajo Fo — Use Cases Cheat Shee

What the action agent can actually do, from a live account (Oct 2026).

CALLING

Fo places real phone calls

Dispute a bill or a charge by phone

Book tables, appointments, services

Reschedule flights — Fo waits on hold

EMAIL

Fo sends email and follows up

Coordinates with vendors on your behalf

Follows up until the errand closes

BOOKING

Appointments, travel, services

Clinic visits, salon slots, repair crews

Books, changes, and cancels

Connect Fo + Invite

Use Fo inside ChatGPT or Claude, and invite friends.

PAYMENTS

Fo can pay for you — with guardrails

Link a card, held securely by Stripe

"Ask before purchases over $X" (USD)

Pause agent spending any time; Balance shows dues

FO MCP — FO INSIDE CHATGPT OR CLAUDE

1. Settings → Fo MCP in the Wajo app. Copy the server URL:

2. In ChatGPT or Claude: Add plugin → Add custom MCP server. Name it Fo, paste the URL, choose OAuth.

3. Sign in with Wajo. Review the tools, then pick Fo in your chat.

Server URL

```
https://mcp.api.wajo.ai/fo
```

INVITES

Wajo is invite-based. Your invite link lives under Settings → Invites. Ours: https://wajo.ai/join?code=2VJ5NW5G

CONTACT FO DIRECTLY

Email: fo@wajo.ai Phone: +1 (628) 309-6361

When Fo gets stuck, a human assistant finishes the job — seeing only the task-necessary info, not your full history.
